Solve the addition math problems below.

1  
+ 1  
—

A gift box with a bow on top. Inside the box is the addition problem 1 + 1 with a horizontal line under the second 1.

2  
+ 1  
—

A gift box with a bow on top. Inside the box is the addition problem 2 + 1 with a horizontal line under the second 1.

3  
+ 1  
—

A gift box with a bow on top. Inside the box is the addition problem 3 + 1 with a horizontal line under the second 1.

2  
+ 2  
—

A gift box with a bow on top. Inside the box is the addition problem 2 + 2 with a horizontal line under the second 2.

2  
+ 3  
—

A gift box with a bow on top. Inside the box is the addition problem 2 + 3 with a horizontal line under the second 3.

2  
+ 4  
—

A gift box with a bow on top. Inside the box is the addition problem 2 + 4 with a horizontal line under the second 4.

3  
+ 3  
—

A gift box with a bow on top. Inside the box is the addition problem 3 + 3 with a horizontal line under the second 3.

3  
+ 4  
—

A gift box with a bow on top. Inside the box is the addition problem 3 + 4 with a horizontal line under the second 4.

3  
+ 5  
—

A gift box with a bow on top. Inside the box is the addition problem 3 + 5 with a horizontal line under the second 5.
