

Draw and Write

Cats are sweet and cute animals that make great pets. We can see them in people's homes and outside walking on the street.

Would you like to have a pet cat someday? What will it look like? Will it be big with tiger stripes or small and furry? Will your cat be domesticated and live in the house or roam the streets wild?

Draw and color a picture of a cat and then write sentences using the vocabulary provided.

CAT

Write 10 sentences using the vocabulary words.

1. _____
2. _____
